

## MAKE YOUR TABLE THE PERFECT FIT

Glass tops are available in a variety of shapes and sizes and are sold separately from table bases. In addition to standard glass, we also offer Starfire glass, which has a cleaner, clearer quality.

See below for general glass sizes [reccomended glass varies by model]. Most sizes are available in a 3/8", 1/2", or 3/4" thickness. If you have or require a different glass shape or size, please contact for more information. When ordering tables, always specify your glass shape, size and thickness as we may need to alter the table base to accomodate the glass.
