

Time to Ride

Bicycle-inspired designs are popping up nationwide as a result of a more health-conscious lifestyle—and even motorcycle-inspired inspiration in home furnishings. Here's the open road.

The Phillips Collection

The Bicycle Wheel high-back chair is one of the newest items in The Phillips Collection's Bicycle Wheel collection. The bike parts come from Indonesia. philipscollection.com

H Studio

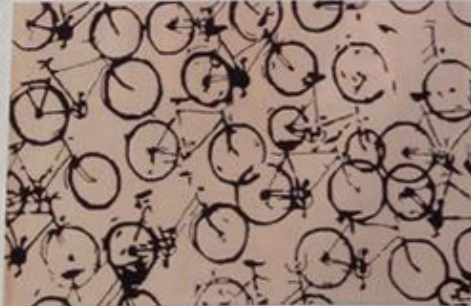

The Billy Sculpture is part of the Shoumi Matiza Fine Art collection, limited to only 50 pieces, signed and numbered. Many colors are available. hstudio.com

Groovystuff

Inspired by the late, great singer, "Baby Face" Nelson, the Bull for Tami, a Bull design piece has been added to Groovystuff's signature collection. It's made of stainless steel. groovystuff.com

Surya
Among designer Mike Farrell's bicycle-inspired designs for Surya is this new indoor/outdoor rug design, Pandemonium. It's hand-hooked in China of 100 percent polypropylene. surya.com

Stylecraft

New wall decor from Stylecraft includes "The Little Red Bike" on canvas. It measures 48 inches square. stylecraft.com
